Item:	Agenda item G – Public records requests	

Issue: Outstanding requests

Background

A number of people and entities have requested public records. In checking with the requestors, it has been discovered not all requests have been fulfilled. Complicating the issue is the previous lack of access to records, records not being accurately filed, and limited time with volunteers to find the information.

Options

A. Work with requesting entities to nibble away at their requests, realizing we may have to extend time frames due to workload and lack of personnel. Be open and honest.
B. Do nothing—risk more legal action.
